Kevin,

You could go ahead and send (fax) your comment(s) to me....and this was just an FYI....upcoming human studies to be done this year....when more definite timelines are completed, I will forward those to you guys as well.

Loreen-

thanks for faxing. I have a clarifying comment to the highlight. Should I f/up w/ you, and then you'll f/up w/ Pete?

Also, were you looking for any specific input from us or was this informational?

thanks

Pete,

Here are the revisions to the SCoR timelines and the accompanying highlight. Please let me know if you have questions or if the modifications aren't clear.

Thanks,
Valerie
